The Institute of Chartered Shipbrokers

OPEN DAY

FOR PROSPECTIVE STUDENTS

The Institute of Chartered Shipbrokers is opening its doors in branches across the world to students and potential students on **Tuesday 26th September 2017**.

The open day will be held at the key Institute centres and is a great chance to find out more about courses on offer, entry requirements, meet local tutors and other students and learn more about what the Institute offers.

The Institute currently has over 5,000 students across all three levels of qualification, studying in six continents and sitting exams at over 100 exam centres globally.

Embarking on professional education can be quite a challenge for students. Some may have been out of formal education for some time, and others new entrants to the shipping industry.

The Institute offers industry leading qualifications and has a network of Institute members teaching, mentoring and supporting students every step of the way.
