

Dear Members,

as already announced with our newsletter for the General Meeting, after a long time, we again would like to invite you on a trip

with the barge "ADELE"

Meeting point: **Wednesday, 29.06.2022 – 17:00 hrs**
at the pier of the Museum Harbour of the *Stiftung Hamburg Maritim*,
Sandtorhafen, Hamburg
(see map section inserted below)

Departure: **at 17:30 hrs - please be on time!**

We will take you to some well- and some lesser-known areas of the Port of Hamburg, whilst enjoying the provided food and drinks. We will be back at the berth in Sandtorhafen around 20:00 hrs. "Schipper Charly" recommends to bring a good mood and appropriate clothing for the (hopefully very nice) weather!

If you would like to participate, please register in writing
by Wednesday, 22.06.2022 by e-mail to secretary@ics-germany.de

As always, "first come first serve" applies – the "ADELE" is "full and down" with 35-40 passengers.

We look forward to your registrations!

One final note: If you have difficulties finding the "ADELE" on the day of the event, Hauke Pane can be reached on 0172 4544244.

Kind regards
- on behalf of the Branch Board -
